

EU funding opportunities 2011

Sector Operational Program - Increase of Economic Competitiveness (SOP-IEC)

The Management Authority for SOP-IEC, announced the estimated calendar for the 2011 calls of projects:

The most important news are:

- Confirmation of a very intense start of the year 2011 in terms of funding opportunities for SMEs
- Confirmation for the opening of a new call for projects for large enterprises
- Prospect of a new call for investments in renewable energy projects

The estimated calendar for call openings:
